

**Public Notice for Consideration of Approval of
Monitoring and Reporting Program No. R1-2020-0029**

for the

**City of Santa Rosa Recycled Water Program
Sonoma County
WDID NO. 1B20110RSON**

On March 27, 2020, the North Coast Regional Water Quality Control Board (Regional Water Board) received a Notice of Intent (NOI) for coverage of the City of Santa Rosa (hereafter City) Recycled Water Program under State Water Resources Control Board Water Quality Order No. 2016-0068-DDW, Water Reclamation Requirements for Recycled Water Use (General Order).

The Regional Water Board Executive Officer proposes to issue a Notice of Applicability (NOA) to enroll the City under the General Order. Additionally, Monitoring and Reporting Program (MRP) No. R1-2020-0029 is proposed as a condition of compliance with the General Order. The NOA and MRP will be available for public review and comment for 14 days beginning August 20, 2020 and ending on September 3, 2020 on the Regional Water Board [website](#).

The Regional Water Board Executive Officer will consider issuing the NOA and MRP, approving the City's enrollment under the General Order for the distribution and use of recycled water as a ministerial action after completion of this public review period for these documents.
